## Chipkins Catering Supplies East London Name Change

### Announcement.

To our Valued Customer,

In order to provide our customers, suppliers and stakeholders with improved product, service and distribution solutions, we are pleased to announce the name change of Chipkins Catering Supplies, based in East London, into an integrated facility operating under a new and exciting brand, namely *Bidvest Foodservice Multi-Temp East London*, effective 1 July 2011. We are the sixth facility of nine in the Bidvest Foodservice stable to be named as such, and our other facilities include KwaZulu-Natal, Polokwane, Western Cape, Port Elizabeth, Gauteng, George, Free State and Botswana.

We are evolving to meet changing market and customer needs and our multi-temperature distribution facility will provide our customers with a convenient one stop shop, with a comprehensive frozen, chilled, ambient and catering equipment product solution. Thereby allowing our customers the opportunity to consolidate their suppliers, and spend more time with their customers, as opposed to receiving goods and dealing with suppliers.

For added convenience, you can phone just one number 043 736 1403, and deal with one sales consultant or tele-seller. Our new Multi-Temp facility will provide our customers with added advantages, some of which are:

- A comprehensive product offering.
- Improved service levels.
- Consistent and competitive pricing.

Bidvest Foodservice Multi-Temp East London customers located in East London that are currently being serviced from Port Elizabeth will have their accounts moved to our East London facility. However, all customers are kindly requested to please take note of our account details and to make the relevant changes.

The Bidvest Foodservice Multi-Temp East London branch will be managed by Moffat Mtika (General Manager). Moffat has recently joined the branch having relocated from Polokwane. Moffat has over 14 years experience in our business and he will be ably assisted by the following professional team. Should you have any queries, please direct them to the relevant departments.
