## Chipkins Catering Supplies George Name Change Announcement.

To our Valued Customer,

In order to provide our customers, suppliers and stakeholders with improved product, service and distribution solutions, we are pleased to announce the name change of Chipkins Catering Supplies, based in George, into an integrated facility operating under a new and exciting brand, namely *Bidvest Foodservice Multi-Temp George*, effective 1 July 2011. We are the seventh facility of nine in the Bidvest Foodservice stable to be named as such, and our other facilities include KwaZulu-Natal, Polokwane, Western Cape, Port Elizabeth, Gauteng, East London, Free State and Botswana.

We are evolving to meet changing market and customer needs and our multi-temperature distribution facility will provide our customers with a convenient one stop shop, with a comprehensive frozen, chilled, ambient and catering equipment product solution. Thereby allowing our customers the opportunity to consolidate their suppliers, and spend more time with their customers, as opposed to receiving goods and dealing with suppliers.

For added convenience, you can phone just one number 044 874 0717, and deal with one sales consultant or tele-seller. Our Multi-Temp facility will provide our customers with added advantages, some of which are:

- A comprehensive product offering.
- Improved service levels.
- Consistent and competitive pricing.

Bidvest Foodservice Multi-Temp George customers located in George that are currently being serviced from Port Elizabeth will have their accounts moved to our george facility. However, all customers are kindly requested to please take note of our account details and to make the relevant changes.
